

Global Entry Interviews – United States to Offer Interviews in Amsterdam from March 13-17, 2023

Limited Time Only - Complete your application as soon as possible

U.S. Customs and Border Protection (CBP) would like to announce that CBP Officers will conduct in-person enrollment interviews for CBP's Global Entry program at the Sheraton Amsterdam Airport Hotel and Conference Center from Monday, March 13 – Friday, March 17, 2023.

Global Entry allows expedited clearance for preapproved, low-risk travelers upon arrival in the United States. Participants may enter the United States using automated kiosks located at 62 U.S. airports, and 15 preclearance sites. Global Entry approval also allows U.S. travelers to be eligible to participate in the Transportation Security Administration's (TSA) Pre✓® program, which expedited screening through TSA checkpoints at participating airports.

On Monday, March 13, 2023, enrollment interviews will be conducted for those with an access code and from March 14-17, 2023, Global Entry enrollment interviews will be made available to the public for U.S. citizens, U.S. lawful permanent residents, Dutch citizens, or citizens of other eligible countries ([see country membership in Global Entry here](#)).

For Global Entry applicants who are already conditionally approved, you may be able to complete your enrollment interview without an appointment using Enrollment on Arrival (EoA). When landing in a participating international terminal, follow the signage directing you to CBP officers who can assist you to complete your Global Entry interview during your admissibility inspection. Additional information, including a list of participating airports, can be found on [CBP.gov](#).
